Jeffries Facing Trial

Community Building Destroyed

A fire of undetermined origin completely destroyed a barn in which hay was stored and two small adjoining buildings on a farm occupied by Floris Beals and owned by William C. Groebe, of Chicago, situated north of 167th st. and east of Oak Park ave., last Monday afternoon.

An unofficial estimate placed the amount of damage at \$15,000.

Groebe, a developer who is building homes in the locality, had intended turning the building over to the community to be used as a community house, with a surrounding park area.

Mokena PTA Launches Safety Program For Bicycle Riders

The Mokena Parent Teacher Association are engaged in a safety program for bicycle riders to impress upon children the necessity of obeying the rules of the road to prevent injuries and even their lives.

Some of the rules set up for youthful bike riders by safety experts are:

Keep every part of your bike especially brakes - in good repair.

Obey all the traffic signals and regulations.

Don't ride another person on your bike and never ride two abreast in traffic.

Ride with the traffic on the right side of the road.

Never hook rides or closely follow cars or trucks. Watch out for cars pulling out from curb.

Stop to see that sidewalks or streets are clear before riding out of alleys or driveways or from behind parked cars.

Never stunt when riding your bicycle on the street.

Dismount and walk bike across heavily traveled streets and highways.

Always give the right-of-way to both cars and pedestrians.

At night have a white light in front of bike, a red light or reflector on rear; wear white clothing.

Get off the street when you hear an approaching fire truck, police car, or ambulance.

Obeying the foregoing rules and remembering your vehicle is part of moving traffic will get you there safely.

Parents are requested to cooperate with the Parent Teacher association in teaching children the proper rules of safety.

Suggests Purchase Of Electronic Witch

Oswald Tattum, water commissioner, Tinley suggested to board of trustees that they purchase what he considered was a very valuable piece of equipment which was used for the first time recently.

The equipment in question is called an electronic witch and was used to detect a break in a water main.

Arrest Driver After Crash

Robert Schweizer, 51, of Frankfort, an accountant, escaped with minor injuries when the car in which he was riding last Thursday was driven off the road and sideswiped by a station wagon that then caromed into a panel truck.

The accident occurred about 7:45 a.m. on Route 30 in front of the Walona motel, about a mile east of New Lenox. The car in which Mr. Schweizer was a passenger was driven by his daughter, Joy, 21. The Schweizers were traveling west.

Traveling east were three vehicles, a panel truck of the Peter Wheat bakery driven by Wilbur J. Venters, 25, of Lockport; an unidentified truck immediately back of the Peter Wheat vehicle, and behind that a station wagon driven by Robert Facinelli, 33, of the New Lenox Bakery.

The driver of the unidentified truck pulled out and passed the Peter Wheat truck. He was successful but according to Schweizer, the station wagon which is said to have followed the maneuver of the truck did not make it. Miss Schweizer pulled out on the shoulder in an attempt to avoid a head on crash with the wagon. The station wagon is said to have sideswiped the Schweizer car, causing it to plunge off the pavement and into a telephone pole. At the same time the station wagon is alleged to have hit the Peter Wheat truck, causing that vehicle to roll over.

Venters and Mr. Schweizer were taken to Silver Cross hospital in an ambulance, treated for cuts and bruises and released. Miss Schweizer also had cuts and bruises. Several stitches had to be taken to close a cut in Schweizer's lip.

State Police officer Kenneth Engstrom who covered the accident, gave Facinelli an arrest ticket charging improper passing.

Mokena Fire Dept. Opens Drive For Fund to Buy Inhalator

An urgent appeal for citizen support of a vital project has been voiced by the Mokena community volunteer fire department.

The project involves hoped-for purchase of an inhalator to give Mokena an emergency protection it now lacks.

Speaking for its board of directors, Jim Marti, president of the volunteer fire department, emphasized the grave need for such equipment in asking that citizens make voluntary contributions to a fund for purchase of the inhalator.

Often an inhalator is the difference between life or death for victims of heart attacks, particularly among elderly people, it was pointed out. The closest inhalator to Mokena is in Joliet - and death won't always wait for that long trip.

"This is an emergency proposition," Marti stressed. "A community the size of ours should not be without inhalator equipment. Its cost is about \$400. But if it were to save only one life, it would accomplish something for which there is no equivalent in the terms of money."

It was emphasized that the inhalator project is not to be considered as a fund-raising drive. Firemen will not canvass homes for funds, it was said.

They hope for entirely voluntary contributions from citizens who are all concerned with this serious situation.

Any resident wishing to make a donation may do so at the Mokena State bank, or to Erich Book, treasurer of the department. A special fund has been set up to receive such contributions.

At the dance given by the Amvets, Aug. 30, half the proceeds or \$115 was given to the fire department for its inhalator fund. Total receipts of the dance came to \$230. There was no expenses to deduct because the bill for the orchestra and the refreshments were paid by Ralph Thoresen as a part of the anniversary celebration of The Shopping Bag, the super market that he operates on Wolf road.

The department members meet every Wednesday night at 7 o'clock for instruction and training in the use of equipment and men interested are invited to attend. The regular business meetings of the department are held the second Wednesday of each month at the VFW hall.

Special movies on the fighting will be shown at the next business session, Oct. 10.

Baby Recovers From Convulsion Attack

The Tinley Park inhalator squad aided in the recovery of 11 month old Tracy Lee Pettit, who suffered convulsions yesterday at his home, 16806 Oak Park ave.

The family placed the baby in warm water when the attack occurred, and called the emergency squad. The child is the son of Mr. and Mrs. Dean Pettit.

Riding Club Members Make 100-Mile Ride; Attend Horse Show

Members of the New Lenox Riding club returned last week from the fifth annual 100 mile ride sponsored by the Illinois State Stock Horse association. Those who participated in the ride were Daun Weber, Russell Daugherty, Sandy Eden, Caryl Robinson, Don and Bernadine Waring, Emil Groth, Bob and Georgienne French, Bob Benson, Tom Treadway and Norman Pfeiffer.

On Labor Day evening a show was held in the Champaign county Fair grounds in Urbana for just the trail riders who wished to enter. Coming home with 6th place, out of approximately 50 horses in the Western Pleasure class, was Sandy Eden riding Jimmie, owned by Don Waring. Tom Treadway brought home 1st place in the Flag Race.

Leaving Tuesday morning and riding thru Friday, the members left Urbana visiting Kickapoo State park, East Lynn, Watseka and ending up in Kankakee. Saturday morning a big parade was held in downtown Kankakee for the trail riders and that afternoon and evening, they were all guests of the Kankakee County Fair Assoc. and Kankakee Valley Saddle club at the rodeo.

Add Classes to L-W Adult Course

Speech and dramatics classes have been added to the subjects to be taught in the Lincoln-Way High school adult education program. David Cook, who is the instructor in speech and English and director of dramatics at Lincoln-Way, will teach the course. The bulletin which went out to all boxholders earlier this week described two courses which may be taught. One is called Basic Everyday Speech and will be organized around speaking situations common to everyday living. The other course is called Dramatics and will provide basic understandings and techniques necessary for development of skills and enjoyment in the dramatics field.

The Arts and Crafts program will be broken down into two areas with one group meeting Tuesday and the other, Thursday. Painting, illustration, sketching, air brush, and silk screen techniques will be included in one class. The other group will be made up of those interested in the craft's area and will work in the following media: ceramics, leather and internal carving of plastics.

Other courses which will be offered include: Farm Welding; electrical wiring for the farm (Continued to page 2)

The long arm of the FBI having reached down to the swamps of Florida where it seized William Jeffries, 26, and tucked him away in a jail cell, Will county authorities have set the legal machinery in motion to try the Lincoln Estates resident for the brutal rape of a 5 year old girl, the daughter of his cousin. He was captured early last Thursday.

The attack on the youngster occurred around 8:30 o'clock the night of Sept. 8. Jeffries then took the youngster to his home. She was said to have been bleeding badly and Jeffries had his wife, Shirley, 23, clean her.

The girl's father appeared a few minutes later and suspecting foul play called Frankfort police. The policeman and the father took the child to the Hedges clinic. State police had been called in the meantime but when they arrived Jeffries had fled. Authorities believe that he stole a car in Matteson and that (Continued to page 4)

Will Co. Board Refuses Cocktail Lounge Permit

Following the meeting at the Homer town hall Sept. 7 when Mrs. Stella Dudek asked for a rezoning of her property on 159th street to permit her to build a bowling alley and cocktail lounge, the county zoning board recommended that she be allowed the bowling lanes but no tavern, as 34 people were present to protest the latter. However when told that a bowling permit automatically includes a package liquor store, if desired, the protesters asked that it also be denied.

Apparently the zoning board deemed the protesters' reasons insufficient because most of them lived more than 1/4 mile from the proposed project.

Before the case came up before the county supervisors Tuesday, Sept. 11 a written protest signed by three persons whose land is adjacent to the Dudek property was presented to the supervisors; also about 20 Homer protesters attended the supervisors' meeting and several voiced their opinions, showing that the proposed new project is in a quiet residential area, is near the Town Hall, Homer church and the proposed site of the community school, and that the neighborhood does not feel the need of this sort of recreation. All supervisors present voted unanimously against it.

In answer to the old argument that it would "help our taxes," one Homer resident said that he would rather do without what the extra tax would bring or pay his share himself, and he believed that the rest felt the same way. He then asked the protesting people who agreed with him, to rise and he got a unanimous vote.

Homer Supervisor Barney Welter was detained from both meetings by other business.

Book Club Reports on Library Growth

The Mokena Book club re-
sumed its fall meetings with a
book review by Mrs. Vivian
Shoop of an excellent nature
book, "A Seal's World" by Frank
Stewart.

The September meeting was
held at the home of Mrs. Gerrit
Swart, 55 E. McGovney, with 17
ladies present. Mrs. Laverne
Hird was accepted into mem-
bership.

Mrs. Walter Shewski, presi-
dent, reported that the Illinois
State Library will permit us to
keep on our shelves the 200 vol-
umes we have borrowed from
them until the first of Novem-
ber, at which time we will get
a new supply from the State li-
brary. Mrs. Philip Lenz request-
ed permission to donate about
100 mystery stories to the li-
brary and it was agreed to accept
them and perhaps weed out
some of the older ones we have
had for the past 5 years.

Mrs. Leo Marcoux agreed to
have a new sign made for inside
the library window, indicating
the library hours 7:30 to 9 pm.
every Wednesday, and the co-
sponsoring agencies, the Mokena
Book club and the Mokena Lions
club. The library is at 34 E.
Front st., Mokena and is open to
everyone.

A report of use of the library
indicates that we now have more
than 130 card holders, and an
average of 50 books are taken
out each week.

Every member of the Book
club, in fashion similar to Ben-
jamin Franklin, who volunteer-

ed to serve as librarian to his
discussion group, the Junto, vol-
unteers her services as librari-
an. For the next four weeks the
librarians will be Mrs. Harriet
Swart, Mrs. Beatrice Olsen, Mrs.
Delores Thompson, Mrs. Jane
Bills, Mrs. Margaret Lenz.

MASTERS RUSHES—

(Continued from page 1)
he used it to transport him to Pensacola where he has a sister.

FBI agents had the sister's home under surveillance but Jeffries was not taken there. He had fled to a swamp on the outskirts of Pensacola where he was captured. He offered no resistance the agents reported, but refused to discuss the rape and denied that he had stolen a car. Jeffries was seized by the FBI on a warrant charging him with flight to avoid prosecution.

The girl named him as her assailant and he was seen to take the child away from the home of a relative.

Sheriff Roy C. Doerfler received word of Jeffries capture shortly before noon Thursday and that afternoon State's Attorney Frank H. Masters, Jr. called Springfield to start the legal machinery in motion to remove the fugitive from Florida to Will county.

The September grand jury was convened at 11 o'clock Monday morning of this week and that afternoon Masters presented the Jeffries case for its consideration. The jurors did not wait until all of the cases it had for consideration were disposed of, as is the usual practice, but reported to Circuit Judge James V. Bartley Tuesday with an indictment against Jeffries charging rape.

Masters immediately filled out the proper papers and forwarded them to Springfield. There a request was signed by Gov. William G. Stratton, asking the governor of Florida to issue a warrant for the extradition of Jeffries to Illinois. The papers were then sent to the Florida governor at Tallahassee by mail.

Jeffries had told FBI agents that he would waive extradition but Illinois law requires that certain steps be taken in such cases and Masters is following them. As it stands now Illinois officers will be prepared if Jeffries changes his mind and decides to fight his removal from Florida.

Sheriff Doerfler expects to send deputies to Florida this weekend to get Jeffries. The deputies will make the trip by air. The extradition warrant will be waiting for them.

As soon as Jeffries is returned he will be brought before Judge

Bartley, furnished with a copy of the indictment and list of witnesses and if he is unable to hire a lawyer the court will instruct the public defender, Thomas Hinson to act for him. Then probably within 24 hours he will be arraigned.

At that time he will be called upon to enter a plea of guilty or not guilty. The usual thing is for a defendant to plead not guilty and when this is done the court then sets a date for his trial.

In rape cases the punishment is fixed by the trial jury—when a case goes to trial—and such a defendant when found guilty can be sentenced to life or any term of years from one to as many as the jury or court wishes to impose.

State's Attorney Masters has indicated that he will seek the limit for Jeffries. There are a number of rapists now serving sentences of 199 years which for all practical purposes means no discharge.

Under a life sentence a prisoner is eligible to apply for parole after serving 20 years. Under a flat sentence he is not eligible to seek parole until he has served a third of the sentence. Granted the good time he would be allowed if a good prisoner a man under flat sentence can serve it all in half of the years plus one and three months.

A person sentenced to 199 years could thus serve it all in around 101 years, but he could not apply for a parole until he had served 67 years, unless of course the sentence had been commuted by a governor to less number of years.

Jeffries has a previous record and last year was placed on

probation in the county court after having pled guilty to petit larceny in connection with the theft of grain from various farms. A younger brother, Frank, 22, who was also connected with the theft, was sent to the state penal farm at Vandalia.

Sheriff Doerfler was highly pleased with the work of the FBI but said that he was confident of its success.

"When the FBI issued their warrant for Jeffries," Doerfler said, "I felt that my worries were over and that he was as good as in jail."

The sheriff has written J. Edgar Hoover, head of the FBI, congratulating the department and its personnel.

"This adds to my many, many reasons for being so proud of being associated with the splendid organization as a graduate of the National Police Academy," Sheriff Doerfler said in his letter.

In the Sept. 13 issue in the news story of Mr. Jeffries, it was erroneously stated that some 20 members of the Cook county forest preserve range force, made up the posse searching for Jeffries. The rangers were from Will county and not Cook.

Farmers Can Still Get Aid To Improve Soil

Farmers who are interested in
carrying out soil conservation
practices this fall and need cost-
sharing assistance should con-
sider signing up under the ASC
Program advised Bassel Ben-
nett, vice chairman of the ASC
office in Will county.

"As a result of additional auth-
orization, we are still in a po-
sition to offer assistance on ap-
proved conservation projects,"
explained Mr. Bennett. "There-
fore, farmers who have need
for such practices as limestone,
phosphate etc. are invited to
stop at our office located at
564 North Chicago st., Joliet to
discuss the program.

"It should be clearly under-
stood," continued Mr. Bennett,
"That farmers desiring to par-
ticipate in the AC program must
file a request for assistance be-
fore the practice is started. Re-
quests will be accepted as long
as funds are available."

Cooperation would solve many
problems. For instance, freckles
would make a nice coat of tan if
they'd just get together.

WSCS News

At the WSCS meeting held Sept. 13 in the Methodist church social room, Mrs. Robt. Plastow led the devotionals. Mrs. Richard Yang presented the program which was a talk on China. She described the housing, feeding, clothing, schooling etc. habits and conditions in China. She displayed a Chinese Bible and the Chinese alphabet for writing and also had written in Chinese, the words Methodist Woman's Society of Christian Service. Mrs. Yang who is a small rather shy person, has resided in the United States for the past 11 years. Since living in Orland, she has been active in the church, the Brownies as a leader and the PTA.

At the business session, the Evening circle announced the change in meeting date as of October, to the third Friday of each month. They are sponsoring a Potholder contest, all those participating to bring the holders to the November regular WSCS meeting to be judged. A rummage sale will be held Oct. 18, and the Christmas Tree Lane gift sale in December. Refreshments were served by Mrs. Frank Buck and Mrs. John Homering from the Evening circle.

Orland Park, unit 526, American Legion Auxiliary met at the home of Mrs. Mabel Ekberg Friday evening, Sept. 14. The newly elected officers were installed by Mrs. Mae Leach, past district director of 8th district and organizer of Orland unit, and Mrs. Marie Grupp, 8th district director.

Carol Glowacki of Carl Sandburg high school, who was chosen to represent the Unit at Illini Girls State, gave a fine report on her experience at Girls State. She told how the girls attending from all over the state are divided into groups.

The Franklin Kruspe family spent their vacation in St. Petersburg, Fla. with her parents, Mr. and Mrs. Henry Stege. Enroute to Florida, they stopped to visit Franklin's uncle Joseph Denny in Richmond, Ind.

They were Virginia Feil, Diane McCleary, Mary Jane Donaldson, Mary Ellen McGovney, Jane and Kathy Berlin and Gilbert Jacobs. For the meeting next Sunday, Sept. 23, the hymns will be by Keith Thacker, prayer and scripture by Bill Peterson and the lesson by Lester Michelec.

Predict Enrollment Of 5000 Students Within Five Years

"We must prepare today for needs of our school system tomorrow! The possibility of expanding from your present 1300 students to a total of 5000 is not inconceivable within the next five years."

These were the words of Dr. Martin H. Bartels of DeKalb Teachers college when he spoke at the first Bremen Community High school Parent Teachers Association meeting when it was held Wednesday evening, Sept. 12 in the high school cafeteria.

Dr. Bartels, a school planning expert, was very forceful in making his audience understand that perpetual planning is needed to care for the ever increasing school student population. As Dr. Bartels pointed out, many problems of a serious nature also exist in a small school. There is no real middle ground. The only real solution is to provide the necessary sites for

probable further expansion.

A question and answer period followed Dr. Bartels speech.

Many members of the audience took the opportunity to discuss the problem with Dr. Bartel.

Preceding Dr. Bartel, T. R. Birkhead, Superintendent of the Bremen Community school, and Dr. Earl Hedeon, President of the school board, directed a few words to the assembled group.

Mrs. R. A. Ekstrom, Jr., president of the PTA presided, while Mrs. Joseph Heitman, secretary

PTA News

Frankfort

The Frankfort PTA began its 1956-57 season with a meeting at the Frankfort school, Sept. 12, at 7:30 p.m. Mrs. Leonard Robinson, president, took charge of the business meeting. Projects for the year were discussed and it was decided to make improvements and additions to the school playground.

Roller skating will have its first session Oct. 2, hours and prices will be announced later.

Mrs. Burton Breidert was named chairman of a committee to conduct a non-profit exchange of costumes and skates. Exchange to be held early in Oct.

Mrs. George Tate, youth chairman, announced that the teenage dances will continue as before on the third Saturday of each month. All young people from the sixth grade and up are cordially invited. The cost is 25 cents per person, and the hours are from 7 to 10 p.m. in the school gym.

Frankfort will be host to all district 22 representatives and interested members on Oct. 4 at 8 p.m. at the school. A speaker on parent education will be presented. Mrs. Burton Breidert is Frankfort district representative.

The new time for executive board meetings has been set for the last Wednesday of each month at 7:30 in the school. Next meeting will be Sept. 26.

Membership chairman, Leonard Robinson, announced that a drive for 100% membership will be conducted during the week of Sept. 17 to 21. All parents will be contacted by letter. Room awards went to the sixth and eighth grade rooms for the largest number of parents in attendance.

Mrs. Carl Marienfeld, vice president and program chairman gave highlights of the coming year, and presented the evening's program. Introductions of officers and teachers were made to the music of Gilbert and Sullivan. Lyrics were from the state PTA office and Dr. Carl Marienfeld.

Hostesses for the refreshments were the eighth grade parents with Mrs. Oran Deist chairman.

The Milky Way completely encircles the world.

In the patriotic hymn, "America," the word "America" does not appear.

Jeannine Zobac Honored at Shower

Mrs. Harold Zobac and Mrs. Fred Newman of Chicago were co-hostess at a surprise bridal shower given at the latter's home on Friday evening of the past week for Jeannine M. Zobac, daughter of Mr. and Mrs. George Zobac, former residents of Tinley Park. 36 guests were present to enjoy a delicious buffet which followed the time honored custom of opening the many beautifully wrapped gifts. Miss Jeannine will become the bride of Roger Brattstrom of Chicago, Oct. 6 at Grace Methodist church in Auburn Park. At present she is an industrial nurse with Illinois Bell Telephone Company.

Barbara Geuther, Roger Woods, Recite Vows in Mokena Church

St. John's Evangelical and Reformed church was the setting for the candlelight wedding of Miss Barbara Geuther, daughter of Mr. and Mrs. Milton Geuther of Mokena and Roger Woods, son of Mr. and Mrs. Roy Woods, Kansas City, Mo. The double ring ceremony was read by the Rev. William J. Riemann Saturday, September 1 at 8 o'clock in the evening. Mrs. Donald Maue presented organ music before the ceremony and accompanied Miss Carole Steele of Atlanta, Ga., when she sang "The Wedding Prayer" and "The Lord's Prayer".

Attending the bride were Miss Barbara Martie, Mokena and Miss Patrice Wolverton, Kansas City. Mr. Robert Bure, Archie, Mo., was best man. Russell Geuther, Lincoln; Karl Schwongerdt, Topeka, Kansas; and James McDonnell of Chicago were ushers.

The bride was attired in white illusion net over satin, fashioned with a chapel train. The bodice was appliqued with antique lace and seed pearls. Her fingertip veil was caught with a satin head band, appliqued and beaded to match the dress. Her bridal bouquet was an arrangement of waxed orange blossoms from her maternal grandmother's wedding costume. The bride was given in marriage by her father.

Barbara Martie wore a floor length gown of gold taffeta with the panniers of the overdress drawn to a butterfly bow at the back. Her headpiece was of matching color feathers. She carried a nosegay of rusty colored chrysanthemums. Miss Wolverton wore an identically styled gown in brown taffeta with a brown feather headpiece and carried gold colored chrysanthemums.

The bride's mother wore an ensemble of Dior blue nubby silk with matching accessories. The bridegroom's parents were unable to attend.

Following the ceremony a reception was held in the church

Stranczek-Hoogervorst Nuptials Solemnized in St. Christopher's

Ann Shirley Stranczek daughter of Mr. and Mrs. Kanton Stranczek 13952 Keeler ave., Crestwood was married Sept. 1 to Thomas R. Hoogervorst, son of Mr. and Mrs. John Hoogervorst, Tinley Park in St. Christopher church, Midlothian. The young couple were united in a double ring ceremony at a nuptial mass celebrated by the Rev. Rupert Lutz, O.F.M.

The bride, given in marriage by her father, was gowned in French lace nylon tulle with chapel length train and accordion pleats. A Juliette cap secured her fingertip veil. She carried a bouquet of white orchids circled with lilies of the valley.

Bridesmaids were Mary Lou Nash, Mary Alice Cipolla and Henrietta Stranczek. They were attired in aqua ballerina length gowns with petal designed matching tiaras and carried light pink carnations. Francis

Kasprak, wearing light pink ballerina length dress with matching tiara and carrying dark pink carnations, Johnny Joe Hoogervorst was ring-bearer. The groom's attendants were Eric Dohrmann, best man and Lou Cipolla, Jim Bagby and Norman Stranczek ushers.

Mrs. Stranczek wore a pink and gray lace dress and Mrs. Hoogervorst, a gown of turquoise chrysalite; both mothers wore white orchids. The bride graduated from Blue Island community high school and is employed as a secretary by International Business Machines Corp. The groom, a graduate of Thornton township high school, is a student at the University of Illinois, Navy Pier, majoring in engineering.

The wedding reception was held at 7:30 p.m. in St. Christopher Hall, Midlothian.

Mr. and Mrs. Hoogervorst will be at home, following their trip, at 3309 W. Adams, Chicago.

Lincoln-Way Knights Win Opener

Beat Lemont In Thrilling Contest 25-20

By Denny Wheeler

The Lincoln-Way Knights' machine, displayed exciting wide open tactics, opened the 1956 season by defeating a powerful Lemont eleven 25-20 on the L-W gridiron last Friday.

Ron Studnicki, the Knights' fleet halfback raced to four touchdowns to highlight the thrilling contest which ended in wild jubilation by the L-W patronage and team. Ed Woodward and Ed Martie turned in sterling performances on defense.

After the opening kickoff, Lincoln-Way struck fast with Studnicki rolling off 18 yards and Morrie Wade spinning for 30 more. However, the attack stalled on the Lemont 29 when an alert Lemont lineman recovered a fumble. But another fumble by Lemont provided the Knights with a scoring opportunity, and scored two plays later as Studnicki sprinted 24 yards to put Lincoln-Way ahead 6-0.

It took only two plays for Lemont to retaliate as fullback John Shaski broke up the middle of L-W's line for a 50-yard touchdown run. Neither team converted the extra point.

After the kickoff the ball exchanged hands several times. Studnicki intercepted a Tom Hennbry pass on the Knights' 2-yard line to stem a vigorous Indian attack. However, two plays later, a Lemont lineman scooped up an errant pitchout and scooted over to put the Indians ahead. The conversion was good. Lemont lead 13-6.

Quarterback Ron Fredin unleashed a long pass to Ron Studnicki and he outran the Indian defense to score. Morrie Wade ran for the conversion, and the half ended Lemont 13, Lincoln-Way, 13.

After the halftime intermission, two Lemont drives were foiled as aggressive Knight linemen swarmed in to block two punts. On the latter of these punts, the ball capapulted off Ed Martie's shin all the way down to the Indian 8-yard line. Three plays later Studnicki hurtled 2 yards around end to put the Knights ahead to stay.

The last Lincoln-Way TD was very unique. Wade took off from the Lincoln-Way 27 yard line on one of his winding jaunts. Seemingly trapped and down after a great 20-yard pick-up, he alertly lateraled the pigskin to Ron Sturnicki who was off again. L-W 25, Lemont 13.

This virtually salted it away until the reeling Indians suddenly took new life on a great screen pass touchdown.

With 1:25 to go Lemont recovered an "on side" kickoff and immediately smashed into L-W territory. When the clock ran out Lemont had possession on the L-W 16-yard line.

Lincoln-Way plays in Evergreen Park tomorrow afternoon. The Mustangs are tough, sporting many of last year's Conference Champion freshman-sophomore players. But the Knights look good. The spirit of the team and its fans is marvelous. Many fans from the area are expected to show up and spur the "New Knights" on to the first step to the Conference Championship.

Arrives Home After Close of Baseball Season on Coast

Gerald Jacobs, son of Mr. and Mrs. Ray Jacob of Tinley Park, arrived home Monday after the close of the Pacific Coast league baseball season. He played in the Vancouver British Columbia Pacific Coast league, and ended his first year with this group Sept. 16 with a game in Seattle, Wash. After which he flew home. He enjoyed a good year of ball and held the position of utility man.

Tinley Girls Are League Champs With One Loss

The Tinley Park Girls Softball team closed out the season with a record they can be proud of as they won 10 out of 11 league games to win the South Suburban title and five of six non-league games to give them a 15 won, 2 lost record for the season.

Tinley's three pitchers all had good records with Micky Yunker getting 11 wins and one loss. Georgette Zirbes won two and lost one, pitching good relief ball. Diane Albright won two games without a loss.

The two games Tinley lost were to North Harvey, where Micky Yunker lost her only game by the score of 8 to 6, and to Miller Beach, Ind., to whom Georgette Zirbes lost a heartbreaker in extra innings, 8-4.

Tinley's hard-hitting girls collected 28 home runs during the season with Judy Gray leading the way with eight. Some of the other leaders were Eileen Bohman with five, Shirley Kenversky with four and Sue Balzhiser with three.

Manager Joe McCarthy and coaches Bill Bingham and Norm Reiher express their thanks to the Tinley Park Times for space given to the girls' games, fans for their support and the girls for the cooperation and spirit which brought a championship to Tinley Park.

"Plant Illinois" Committee says. Visitors to a community are especially impressed by a beautification program in industrial areas. Residents of the area enjoy more gracious living, property values are increased and potential blight districts are eliminated, the committee points out.

The "Plant Illinois" experts note that civic leaders who are interested in community beautification contact local plant officials, foremen's clubs and other civic groups who will want to cooperate with them in a citywide planting program.

The Tinley Sportman's club has concluded its 1956-57 baseball schedule with an overall 9-9 record. In conference play the Tigers racked up 8 win and 6 losses to come in third place in a field of eight. The pitching staff for Tinley looked very good this year with promise for better things to come next year. Lack of consistent hitting in the right places hurt the club at times during the year, as they 4 games by only 1 or 2 runs. Pacing the club in hitting this year was first baseman Less Beccue with a mark of .461. Another Tiger in the .400 class was outfielder Paul Ebeling, with an average of .415. of .358 and .348, respectively, turned in good batting averages. With almost the entire team returning next year, the Tigers have good hopes of taking the championship.

Sponsor Bonfire As Kickoff For Football Season

A bonfire and pep meeting Wednesday night, Sept. 12, at the high school sponsored by the Lincoln-Way cheerleaders was the kickoff for the Knights' football season. Team members of the varsity and freshmen-sophomore squads were introduced by their respective coaches, Jonas Lashment and Al Buckowich, selections were played by the Lincoln-Way band, and cheers and the school loyalty were led by both the varsity and freshmen-sophomore cheerleaders. Refreshments were served in the cafeteria, compliments of the Illinois Bell Telephone Company.

This year's varsity cheerleaders include Beverly Lauffer, captain; Marilyn Sayers, Linda Ruhle, and Karen Wade. Freshman-sophomore cheerleaders are Norma Heidrich, captain; Dona Anderson, Diane McCleary; and Janet Wise, with Pat Johnson and Ruth Wade alternates.

On the cheerleaders' program for the year are pep assemblies before games, programs to teach the students the rules of the sports, and social events after the contests.

Free "Plant Illinois" Booklet

A useful, attractive 20-page booklet that explains how civic-minded individuals and organizations can beautify their local community through planting programs is available on request. Write to: J. C. Borah, Superintendent of Plant Industry, State Department of Agriculture, Springfield. In addition to telling how to organize a local "plant up" program, the booklet lists dozens of worthwhile projects and explains what and how to plant for best results.

Tigers Name Paul Ebeling 'Most Valuable'

The Chicago Baltimore Lum-ber company baseball team, an entrant in the Chicago Park District league, overpowered the Tigers last Sunday 20-4. Good hitting by the Chicago team and costly miscues by the home team prevented George Sed-leck from adding a win to his credit. This was the Tigers final game of the season. Paul Ebeling hit his third home run for the Tigers.

A party was held in the home of Paul Ebeling after the game Sunday night to honor him upon his selection as the teams "most valuable player."

The Bremen Braves dropped their football season opener Saturday afternoon, Sept. 15, at the Bremen Community High school football stadium to the Niles Township Trojans.

Leonard Callan, Coach of the Bremen Braves, said, "The loss resulted not from the fact that we were outplayed, or over-matched, but that we were outnumbered. Our reserve team was not able to meet the demands placed upon them."

A fumble in the early minutes of the game by the Braves, gave the Trojans their first opportunity to score. Shortly afterwards, George Stelmach, fullback, picked up "the challenge of the gauntlet" to make the first score for Bremen. The half ended with Niles leading 7 to 6.

Opening the third quarter, Bremen kicked off. Niles scored again on a pass play to make the tally 13 to 6. The Braves came into possession of the ball once again. On a fumble, however, the Niles team came to the fore one again by making a recovery which provided a basis for their third touchdown of the day. At the end of the third quarter the score stood 19-6.

A gain of 70 yards by the Trojans after Bremen's kickoff in the fourth quarter put them in scoring position. The fourth touchdown of the day made the score 25-6. The Braves received on the next kickoff. Deep in opposition territory, the team punted. Dogged during the entire game by the absence of Lady Luck, the Trojans recovered and one again they scored.

All was not lost, however. During the final minutes of the game in a pass play involving Gary DuBois, quarterback and George Avelano, left end, a touchdown was scored by the Braves. A penalty was called on the play, and the touchdown was nullified. The final score was 32-6.

The quickest way to make yourself miserable is to start wondering whether you are as happy as you could be.

Cub scouts, den 5 of pack 218, held a regular meeting in the John Cruise home Thursday afternoon. Members are engaged in making hats of materials found around the house. The hats will be exhibited at the Friday meeting of the pack in the American Legion hall, Orland.

The first board meeting of the Maue PTA for the new year was held in the home of the president, Mrs. Norman Strassenburg, Wednesday afternoon, Sept. 5. The program for the year was planned. A suggestion that movies be the PTA project for the year was given serious consideration.

Maue PTA News

The first meeting of the Maue PTA for the 1956-57 school year was held in the school, Wednesday evening, Sept. 12, with the new officers taking their posts for the first time.

Officers are, Mrs. Norman Strassenburg, president; Mrs. Owen Maue, vice president; Mrs. William Donovan, 2nd vice president; Mrs. Winifred Meinert and Miss Carol Shoemaker, teachers, 3rd vice presidents; Mrs. Roberta Walker, secretary; Mrs. Raymond Knieriem, treasurer.

Chairman are: Mrs. Paul White health; Mrs. Raymond Bernard, budget; Mrs. John Cruise, publicity.

Delegates chosen to represent the Maue PTA at the district 19 council meetings are Mrs. Roberta Walker, Mrs. Owen Maue and Mrs. John Cruise.

The budget for the year was passed and Mrs. Walker read news reports of PTA activities. Further business concerned the welcoming of new members.

Following the business session entertainment planned by Mrs. Maue was enjoyed. A movie about a dog named Buttons was shown and a game in which contestants answered with true or false 10 questions about a penny was played. Mrs. Walker was the winner of the game and received as a prize her fortune in it. Refreshments were served during the social hour.

Maue school opened with an enrollment of 44 pupils this year 20 of whom are in the lower grades and 24 in the upper. Two new pupils were welcomed to the upper grades and two to the lower grades.

Walter Reeves was the only 4-H'er to participate in the Wheatland plowing match Sept. 15. He was 4th in the 15 to 18 year division.

4-H NEWS

The Orland Boy's 4-H club held their monthly meeting in the Maue school, Sept. 10, with Darrell Erickson, vice president, presiding. Record books were collected for judging and premium money was distributed. Refreshments were served by Robert Stoutenour, Larry and Walter Reeves.

A meeting of the Alpine Girl's 4-H club was held in Maue school, Monday evening. The main business concerned the distribution of premium money and the collecting of record books.

Wednesday, Sept. 12 the chief carpenter on one of the jobs was seriously injured while hammering a nail into the ceiling of one of the new homes. The nail flew back and impounded itself in the cornea of his eye. Co-workers rushed him to Little Company of Mary hospital where an emergency operation was performed. It is still undetermined if he will lose the sight of his eye.

Mr. and Mrs. Carl Olson, son David and their housekeeper will move into their new home on Redondo this week. David who is twelve attends Orland Park school. Mrs. Bitterman who built the house and Mrs. Olson have been friends since school days.

Mrs. Leeland and Mrs. Karre have been busy with landscaping this past week. They have added to their already attractive homes, lovely evergreens and yews.

The Andersons attended a family reunion last Sunday with dinner at the home of her parents Mr. and Mrs. R. J. Hunter of Chicago. Guests were Miss Jerry Hartfield of Houston, Texas who is a graduate of Wheaton college and a teacher in Glen Ellyn, her brother James who is

a student at Wheaton, their grandparents Mr. and Mrs. J. H. Hartfield of Mt. Sherman, Ark., Mr. and Mrs. Marvin Cole and Mrs. M. McDaniel of Houston, Texas. Mrs. Hunter's house guests left Monday for their homes in the south.

Volunteers will be needed to help decorate for the Halloween party and any suggestions for decorations will be appreciated.

Mr. and Mrs. H. L. Woodbury are expecting friends from Pensacola, Fla. this week. They are Mr. and Mrs. Walter Akerman, formerly of Chicago.

The fire on 143rd st., that many of you saw last Sunday was the Forest Preserve district clearing underbrush from their land and the Orland Park Vol-

unteers standing by with the fire truck to be sure it did not get out of control.

According to the state's "Plant Illinois" Committee, a recent development in landscaping is to use plants to modify the effects of weather extremes around the home. Surprisingly enough, proper plant placement can keep your home cooler in summer, cut down on dust and dirt and save you money on fuel bills in winter. Your local nurseryman, landscape architect or dealer can help you incorporate these results in your planting plan.

Ford tandem axle **BIG JOBS** are rated to carry more payload than comparable tandems of any of the leading manufacturers. T-800 model has max. GVW of 45,000 lb.—GCW is 65,000 lb.

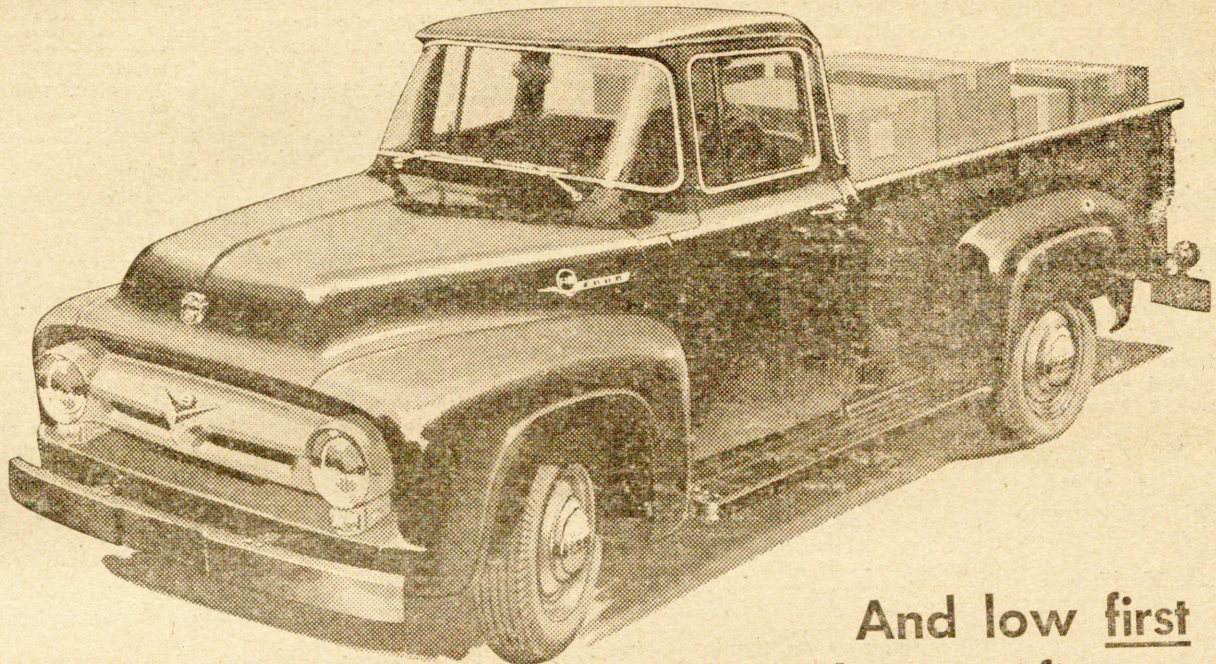

Ford's F-100 Custom panel is one of the top load carriers in its class. It provides 155.8 cu. ft. of cargo space in a smooth, fully lined interior and hauls up to 1,535 lb. of payload.

The hardest-working, biggest-saving "two-tonner" of them all is the Ford F-600. Only Ford offers a Short Stroke Six and three Short Stroke V-8's in this field. Max. GVW is 19,500 lb.

FOR BIG JOBS... SMALL JOBS... ALL JOBS

Ford Trucks cost less

And low first cost
is only your first saving

Ford's F-100 pickup with 8-ft. box is the biggest in the half-ton field—up to 19 cu. ft. more loadspace than the others. Regular 6½-ft. box with a full 45 cu. ft. capacity also available.

COME IN
TODAY!

• Before you buy your next truck, look at both sides of Ford's story of value. Check what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study *proves* Ford trucks last longer.

Look at what you get and you'll see you get *more* in a Ford. For example, more horsepower per dollar—proved by a comparison of factory-suggested list prices and net horsepower of all truck lines. You get more comfort and safety in Ford's Driverized Cab with exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal *more* for your money—see your Ford Dealer.

FORD TRUCKS LAST LONGER

Using latest registration data on 10,502,351 trucks, insurance experts prove Ford trucks last up to 9.9% longer.

Mr. and Mrs. Ralph Wright and children, Stephen, Jeffery, Alison, Douglas, and Cassandra, attended a family reunion Sunday at Miner park in Bloomington.

Mr. and Mrs. William Hutchinson and children Tommy, David, Marcia, and Kathy attended a family reunion at Highland Park in Joliet last week.

Mr. and Mrs. Ed Hosenbeck and family had as their guests Sunday, Mrs. Martin Johnson and daughters Mary, Bonnie, and Susan, Alexander Ziaac, and Mr. and Mrs. Charles Kraemer and family all of Chicago.

Mr. and Mrs. Richard Pokorny and family, Mr. and Mrs. Frank Benedict were guests Sunday of Mr. and Mrs. Jim Ficke at their cottage on the Kankakee river.

Cub Scout Den 1, of Pack 41 of Lincolnwood Hills met Saturday afternoon with their Den mother, Mrs. Clare Newman. Mrs. Leonard Konkel assisted. The boys are studying and observing ants and toads, in observance of Naturalist month. As yet, the boys have been unable to convince their den mother, that they should bring snakes into her home for observance. Plans are in the making for the regular Pack meeting for all parents and families of the boys, to be held Sept. 25 at Schmuhl school.

Mr. and Mrs. U. S. Madden, daughter Elizabeth enjoyed a weeks vacation in Toronto, Canada where they attended the Canadian National exhibition, and visited Niagara Falls, N. Y. Enroute home they visited at Pittsburg, Pa., with Dr. and Mrs. Albert Pfarr; and with her aunt and uncle Dr. and Mrs. Ray P. Moyer at North East, Pa. Last Sunday they attended the finals of the polo tournament at Hinsdale, where they saw Walt Disney's "Smoky" participate in the polo matches. Judy and Danny Owen accompanied them.

A new kindergarten class was started Monday morning in the home of Mrs. Ronald Crisman, on West Circle drive, with 16, four and five year old pupils in attendance. Those enrolled to date, are: Susan Shutask, Alison Wright, Dennis Hecker, Marce, Jean Woodcock, Jane Hollenbeck, Jimmy Mills, Marilyn Newsome, Rickie Otis, Lynn Urhammer, Jeffrey and Candice Crisman of Lincolnwood; also, Douglas Friant, Mike Shewski, and Roseanne Kruzich of Mokena. Classes for the youngsters are held Monday, Tuesday, Thursday and Friday mornings of each week from 9 to 11:45 a. m.

Mr. and Mrs. Robert C. Taylor and family had as their guests over the week end, Mr. and Mrs. James Davis and family of Beardstown.

The Schmuhl school community club will hold its first meeting of the season Friday evening Sept. 28 at 7:30 in the school. All persons living in the school district 121 are invited to attend whether they have children in school or not. The teachers, Mrs. Gladys Ross and Mrs. Clare Adams, are eager to meet the families of the community. A social evening is planned with Mrs. Elmer Smith, Mrs. Clare Newman and Mrs. William Stoner as hostesses. Everyone attending is asked to bring cup cakes and pop.

Thirty-eight children have been enrolled in the Schmuhl school district 121 to date. Mrs. Gladys Ross and Mrs. Clare Adams are

Mark 36th Anniversary

Mr. and Mrs. M. S. Morrison, of Maple Lane, were pleasantly surprised when friends produced a decorated cake during the smorgasbord in the VFW club rooms last Saturday, to mark the occasion of their 36th wedding anniversary. Mr. and Mrs. Morrison were married in Louisville, Ky. Sept. 15, 1920. They moved to Tinley Park two years ago where Mr. Morrison, "Moony" was bookkeepers for the Tinley Park Home Builders. He is presently employed at the VFW club rooms as bartender. The couple have one daughter, Mrs. Eugene Roe, of Riverside Dr., Tinley Park and three grandchildren.

the teachers at the school. Mrs. Adams is a new teacher this year, having moved recently from Detroit, Mich., to Joliet. There are four pupils in the first grade; six pupils in the second grade; three in the third; two in the fourth, nine in the fifth, five in the sixth, four in the seventh, and five in the eighth.

LINCOLN ESTATES

The first PTA meeting of the 1956-57 school year was held Sept. 10 in the Ann Rutledge school.

In the absence of Mrs. Donald Ball, president, Mrs. Charles Jones, vice president presided. Following the business meeting, Mrs. Robert Wheeler, program chairman gave a brief summary of future programs.

Floyd Martin moderated the panel discussion on aims for the year. Each committee chairman spoke of their various obligations.

Jay Bissell, recreation chairman, requested volunteers to serve on his committee and help organize a recreational program that he has planned for children of the community for the school year.

The teachers and parents of Ann Rutledge welcomed the parents of school district 156A and extend a cordial invitation to all who wish to attend future meetings.

Refreshments were served by hostesses Mrs. Charles Jones, Mrs. Walter Neidringhaus and Mrs. Robert Wheeler.

Extend Filing Date For 1957 Wheat Reserve Agreements

The Will County ASC office has been given notice, reports Mr. Conrad Borms, office manager, that the date for filing 1957 wheat acreage reserve agreements has been extended two weeks from the previous announced date of Sept. 21 to Oct. 5, 1956.

Mr. Borms also notifies farmers of Will county that a list of 23 wheat varieties which are undesirable because of inferior milling or baking qualities will be discounted 20c per bushel in price support rates under the 1957 Wheat Price Support program.

Champion

Patricia Morris, 11-year-old daughter of Mr. and Mrs. John K. Morris, Chadwick, Ill., is pictured with her champion Shorthorn steer of the Illinois State Fair. The steer was also chosen reserve grand champion of the junior show. "Pat" as she likes to be called, will be in the sixth grade this year. It is her second year in 4-H Club work. Her steer weighed 1070 pounds. The family farm is 372 acres and her father is a state representative.

The American Red Cross last year issued 202,100 certificates to persons completing its home nursing courses.

The Louisiana Purchase almost doubled the size of the United States.

Would You Qualify To Adopt a Baby? Demand Is Heavy

For every seven couples who want to adopt a baby; adoption agencies have only one child available, say the editors of CHANGING TIMES, the Kiplinger Magazine. This situation has caused the agencies to set up stiff requirements in placing children in "ideal" homes.

Almost unanimously, agencies want couples under 40 who can prove that they can never have children. Those with chronic physical defects are considered bad risks. Most states provide by law that children of one race cannot be placed with parents of another and some courts have held that babies must be placed with families of their own religion. Financial stability is more important than wealth, but adopting parents must be able to provide a child a room of his own.

Some procedures for matching a child and prospective parents include: holding up placement of a brown-eyed child until brown-eyed parents are found; eye to what his mother and looking at a youngster with an father have achieved educationally had their circumstances been different. Old rules dictated that college-bred couples could not have a child of ill-

educated parents. Today, scientific knowledge about heredity and early testing by pediatricians and psychiatrists is being relied upon more and more.

Karl Marx was a German by birth, a Jew by extraction and a protestant by faith.

Weep not; she is not dead, but sleepeth. (Luke 8:52)

Charmain was eleven years old. She was in a hospital. The doctors had performed an operation, but there was nothing that they could do to save her life. Everything humanly possible had been done. Now we could only commit her into the loving hands of Jesus, the Friend of children.

Every day I visited Charmain. Early one morning I was at her bedside when she awoke. She began at once to say the Lord's Prayer. She sang her favorite Sunday school hymn, "Jesus Wants Me for a Sunbeam." To be in her presence was an inspiration to deeper faith and love.

As we remember Charmain, we think of the gracious words of our Saviour: "The Maid is not dead, but sleepeth." Jesus Christ called her to Himself. He has a place and a purpose for her in His heavenly kingdom.

We have the sure and certain hope of the Christian as expressed by the Apostle Paul: "Now hath Christ been raised

Christian Science Churches

How spiritual understanding of the real nature of man and the universe brings harmony in human experience will be brought out at Christian Science services this Sunday, Sept. 23.

The Lesson-Sermon entitled "Reality" will include the following selection from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (335:27-29): "Reality is spiritual, harmonious, immutable immortal, divine, eternal. Nothing unspiritual can be real, harmonious, or eternal."

Among the passages to be read from the King James Version of the Bible are the following (Psalms 33:1,4,5): "Rejoice in the Lord; O ye righteous; for praise is comely for the upright. For the word of the Lord is right; and all his works are done in truth. He loveth righteousness and judgment: the earth is full of the goodness of the Lord."

Auto Deaths Show Increase In Suburbs

(Community News Service)
Coroner Walter McCarron reports there were 43 auto deaths and 10 fire deaths in Cook county for the month of Aug. Twenty-two auto deaths in the city and 21 in suburban areas were reported.

There were two fire deaths in the city and in the suburbs. So far this year there have been 366 auto deaths in the county, 219 in Chicago and 147 outside the city. For the 8-month period there were 80 fire deaths in Cook county, 65 in the city and 15 in the suburbs.

For the same period in 1955 there were 363 auto deaths in Cook county, 238 in Chicago and 125 outside the city. Also last year there were 146 fire deaths in the county, 137 in the city, and nine in the suburbs.

For August last year there were 51 auto deaths in the county, 33 in Chicago and 18 in the suburbs. In the same month there were six fire deaths, four in the city and two in the suburbs.

The prices of trees are usually gauged by the caliper, or diameter, of the trunk rather than by height. This is the standard nurserymen use in buying and selling trees, reports the state's "Plant Illinois" Committee. Don't be fooled by a splashy advertisement featuring tree height as a measure of value.

from the dead, the firstfruits of them that are asleep."

PRAYER

O Saviour Christ, Thou art the resurrection and the life. Whosoever believeth in Thee shall live, though he die. Grant us grace so to live in this world that in the world to come we may have life everlasting. In Thy holy name we pray. Amen.

Take Notice: In addition to the foregoing amount, the cost on each tract or parcel of land is 26 cents and on each City or Town Lot or Block 16 cents at this date. A statutory fee of 3 cents per tract or lot for compiling the delinquent list for the County Court plus a statutory fee of 3 cents per tract or lot for compiling delinquent list for the printer is added. At the time of sale, an additional statutory fee of 10 cents for each tract and 3 cents for each lot sold for taxes is added.

All delinquent taxes for the levy year 1955 draw interest at the rate of one percent per month or fractional part thereof for delinquency, the first installment being delinquent on the first day of June 1956, and the second installment being delinquent on the first day of September 1956.

I, Floyd H. Krapf, County Treasurer and ex-officio County Collector of Will County in the State of Illinois, give notice that I will apply to the County Court of said Will County at the October Term thereof, to be holden at the Court House in the City of Joliet in said County, on the first Monday in October A. D. 1956, same being the first day of said month, for judgment against the said Lands, Town and City Lots and Blocks, described in the foregoing lists for the general and special taxes, interest and costs severally due thereon, and for judgment fixing the amount of tax paid under protest, and that I will then and there apply for an order to sell all Lands, Town and City Lots and Blocks for the satisfaction of said general and special taxes, interest and costs and I also give notice that on the second Monday in October, A. D. 1956, the same being the eighth day of said month, all Lands, Town and City Lots and Blocks, on which an order shall be made, will be exposed at Public Sale at the Court House aforesaid in said County and State for the amount of general and special taxes, interest, and costs due thereon.

Said Tax Sale will commence at the hour of 9 o'clock a. m. on said Monday, the eighth of October, A. D. 1956, and will continue from day to day until all the Lands, Town and City Lots and Blocks upon which the general and special taxes, interest and costs remain due and unpaid at that time are sold.

FLOYD H. KRAPP
County Treasurer and ex-officio County Collector of Will County, Illinois

TOWNSHIP OF NEW LENOX DELINQUENT REAL ESTATE TAX LIST FOR TOWNSHIP OF NEW LENOX
Following is a list of Lands, City and Town Lots and Blocks situated in the County of Will, State of Illinois, upon which the taxes remain due and unpaid together with the names of the owners, as far as known, and the amount of tax thereon. Said taxes are for the levy year 1955, payable in the year 1956, and all forfeited tax subsequent to the year 1879.

Abbreviations used are as follows: BT for Back Tax. Where Back Tax is indicated, the figure in parenthesis () indicates the starting year of the delinquency as indicated on the Collector's Books.

(NOTE: Due to the fact that tax payments have been received by this office after copy was forwarded to the newspaper, names of certain people who have paid their taxes will appear in this list.)

What's Ahead in Auto Engines?

The first automobile manufacturer to produce a workable, powerful and economical successor to the present internal-combustion gasoline engine may put his competitors in the shade, say the editors of Changing Times, the Kiplinger magazine.

Three types of engines may fill the bill: the gas-turbine engine, the free-piston engine and the fuel-injection engine. Only the latter type can claim any relationship to engines now in use. Luxury cars, such as Continentals and Cadillacs may be equipped with it next year. A refinement of the motor in your present car, it has no carburetor; the fuel is sprayed directly into the cylinders. The result is fuel economy, improved acceleration and smoother operation.

Experimentation with the gas turbine has been extensive, but you won't see it in cars for at least another five years. It requires only one-fifth the number of parts in a piston engine and weighs a third as much; needs only one spark plug, gets along without a radiator or conventional cooling system and uses a cheap fuel. At present the cost of producing the motors is prohibitive since fantastically expensive metals are needed to sustain the 1,600-degree heat created.

The free-piston engine has been successfully operated with cheap fuels, including peanut oil. It needs even fewer parts than a gas-turbine engine and is almost vibration-free. And it can be made of conventional metals, since it does not work up excessive heat. But it still has lots of bugs in it.

What about atomic-powered engines? Scientists brush off any suggestions that atomic-powered cars are just over the horizon. They are not even sure such cars are possible. It's hard enough, they say, to harness atoms for locomotives, airplanes and steamships.

Male ostriches take their turn setting on the eggs to hatch them.

ODDLY ENOUGH by WILLOMAN

Avicenna, noted Arabian physician and philosopher, developed the first dentifrice back in the 11th century. Made of meerschaum, salt and burnt snail and oyster shells—its abrasive action kept the teeth clean—but decay continued unabated.

George Washington's dentist Dr. William Greenwood, invented the first practical dental drill. Made from his wife's spinning wheel it was a major step forward in the treatment of tooth decay and other dental disorders.

Today—dental scientists of Indiana University have reached another milestone in medical progress—with their discovery of the new stannous fluoride dentifrice. Crest which has been proven to reduce dental decay more than 50%.

Business and Finance

Throughout our history, stock prices have tended to lead movements in general business activity. That is, stock prices have tended to turn down before the peaks in business activity have been reached and have tended to revive before the country has begun to emerge from depression or recession.

In general, the stock market reflecting the combined wisdom of investors, has been a more accurate predictor of changes in business activity than have professional econo-

mists.

A short time ago, Dr. James H. Loris of the University of Chicago participated in a seminar at the Midwest Stock Exchange. Among the topics he discussed, was Security Prices and Inflation. Space will not permit complete reporting of his remarks and we must condense its context.

There have been very few, if any, periods in which the general price level has moved substantially either up or down without a corresponding movement in prices of common stocks. This is not surprising, since the indices of price level refer to the prices of the kinds of things whose ownership is represented by shares of stock. In other words, in periods of substantial inflation, stock prices typically advance, and in periods of substantial deflation stock prices typically go down.

He pointed out that bonds are a somewhat riskier investment than common stocks with regard to the effect of movements in the price level on the real value of one's assets. Since stock prices tend to go up or down with the general price level, the owner of common stocks is, to some extent, insulated from the effect of movements of general prices on the purchasing power of his assets. The owner of bonds, on the contrary, assumes the risk of having the real value of his financial assets depreciate when prices rise, and of course, has the possibility of having the real value of his financial assets increase when general price level declines. In other words, the safety of investment in fixed dollar assets such as Government bonds is, to some extent, illusory, especially in periods of prospective inflation.

In general, the firm whose activity is primarily in the production of raw materials is more sensitive to changes in the general price level than firms whose activities are primarily in the production of services or of highly processed commodities.

Dr. Lorie stated that he could not predict the course of the general price level in the next decade. Aside from further inflation, he stated that the economy of this country is growing at the rate of 3 percent per year and that this implies long-run growth in stock prices. He pointed out that the long run stock price growth has, historically, been at the rate of two thirds of the rate of growth in general economy or prediction of 20 percent rise in stock price levels in the next decade.

Mulching with peat moss, or well rotted manure helps newly transplanted trees become established in their new environment, says the "Plant Illinois" Committee. The mulch holds moisture in the ground and helps keep weeds down, as well as aiding plant growth as it is absorbed into the ground. This is particularly important for trees planted in late Spring—as many were this year because of the rain and cold weather in April and early May. The mulch helps guard against the drying effects of severe summer heat.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

Mr. Barney Welter, registrar for Homer township is announcing the locations and hours in which residents of the area may register so they will be able to vote at the coming election. Be sure to read the notice on the classified page.

The Missionary society of Homer church will meet at the church Thursday, Sept. 27, with Mrs. Reed Burch and Mrs. C. G. Rowley as hostesses. Pot-luck dinner will be served at noon. All women of the community are invited to participate.

The Rosemary circle of King's Daughters was entertained in the home of Mrs. Harvey Ingersoll of East Seventh st. last Tuesday evening. Mrs. Glenn Miller of Lockport was the co-hostess.

Mr. and Mrs. Edward Daley, Mr. and Mrs. Walter Konow and John, William and Charles Shepherd attended the Sandwich fair last Wednesday. On Saturday the Alan Shepherd family attended, remaining over

the evening to see the Ice Revue which they enjoyed very much.

A-3c Ralph Temple and Mrs. Temple have returned to his base at Lincoln, Nebraska, after spending a week with her family, the Charles Adelmans here. This was the couple's first visit home since their marriage in the spring. He expects to be located at Lincoln for two years.

Emily Carlson received several blue ribbons at the recent New Lenox Garden show. She entered roses, peaches and tomatoes.

Otto Konow has been at Crystal Lake, Mich., for a week's fishing.

Board Approves Budget

At a special meeting of the board of Homer Community school district held at Hadley school Monday evening, Sept. 10, the budget for the present school year was voted upon and approved.

A site for the proposed new school building was tentatively chosen. It was ascertained that acres directly north of the town hall on the east side of Homer rd could be purchased from the F. J. Paddock estate, and also a five year option on four more acres could be obtained. This must be voted on at a later date by the school district at a special election.

Institute for Church Women

The United Church Women of Illinois will hold an area institute on "Christian World Relations" at the Willow Ave. Presbyterian church in Joliet, Tuesday, Sept. 25, from 9:45 a.m. to 3:15 p.m. Protestant women of all denominations are urged to attend. Bring a sack lunch. Coffee will be available. Phone reservations to 973-J, Lockport, before Sept. 23.

Mr. and Mrs. George Milton left for Kansas Friday to attend a reunion of the Milton family.

Mesdames Ida Daley, Edith Ulrich, Anne Daley and Gertrude Heatherwick were hostesses at the meeting of the Good Luck camp of Royal Neighbors last Thursday.

Mr. and Mrs. Willard Rowley, Sr., were dinner guests of the H. M. Finnleys at a Hinsdale restaurant Sunday. The dinner party was in honor of the Finley's wedding anniversary which falls on Wednesday of this week.

Mr. and Mrs. Robert Zahroski and Mr. and Mrs. William Mover of Chicago were last Sunday dinner guests in the Walter Konow home.

Mr. and Mrs. Matt Wies of Crown Point, Ind., called on Homer friends Sunday afternoon.

Several men from Homer church are planning to attend the Laymen's conference at Pil-

grim Park near Princeton Sept. 22 and 23.

Willard Rowley, Sr., Willard Rowley, Jr., and sons Bobby Finley attended the Wheatland plowing match Saturday; also Mr. and Mrs. Sylvester Hostert and daughters.

**STEEL prices going up!
MATERIALS prices going up!
LABOR costs going up!**

But...

**we're selling
machines right now...
at pre-steel settlement prices!**

On the heels of the summer steel wage settlement came news of a boost in steel prices.

When steel wages and prices go up, wages almost everywhere and prices on almost everything soon follow. The fact is, this summer's steel-wage-settlement has started a new cost spiral . . . prices on the things you buy are headed up.

That's why the Minneapolis-Moline machines we're selling now—built and priced *before* the steel settlement—are values you may never see again. That's why it's good business to buy now . . . and get next year's advanced designs at today's money-saving prices!
